

Management of Perinatal Emergencies: A Patient Safety Webinar Series

Presented by The Ohio Pregnancy Associated Mortality Review and
The Ohio State University Clinical Skills Education and Assessment Center

September 7th:

Would the Real High Risk Patient Please Stand Up?

This webinar will help nurse educators, managers, and other clinicians caring for pregnant and postpartum women identify opportunities to improve safety by integrating education and simulation into the daily routine.

OBJECTIVES:

1. Identify barriers to efficiently and effectively educate the RN in the area of patient safety and simulation training
2. Discuss the availability of educational resources to conduct simulation training on the unit
3. Formulate a plan to integrate available resources into patient safety educational opportunities for the RN
